

On Saturday 21 May 2022, Thailand men's national [#floorball](#) team will face off against the Philippines in IFU Arena, Uppsala, in a friendly game.

The last time the teams met was as late as December 2021 during the World Floorball Championships in Helsinki. They played a placement game for place 13 in the tournament and the match went all the way to penalty shots where Thailand came out on top and won with the score 9-8.

In June, a World Cup qualifier in Singapore awaits for both men's teams and the AOFC for women's teams. This will thus be the rehearsal game for the men's and we hope that as many as possible will go to Uppsala to see two of the best Asian teams settle on Swedish soil.
